tents higher and fairly active. There was some good mixed packers among the off-rings and a liberal sprinkling of light hogs. Some of the light weights were extra good little bogs, and the shipper Who figures that thin-bucked pigs of the same weight will bring the same money tarday, will miss it when he comes to sell Coulty and Armour were the buyers, and they bought the fat pigs at the price just as readily as the heavy ding shappers. The light weight som to be more in favor among the buyers than for some time next, but his is probably due to the fact that there is a better class of pige coming in. Fat bigs are all right, but the thin-backed price respective was maid for a car load medium heavy weight hoge, but they

STOCKS AND BONDS.

New York, Jan 3h.-Today's market again showed its sympathy with Amaiga-mated Copper. The dealings in this stock were about twice as great as those in sugar, and the transactions in the two stocks combined were an overwhelming proportion of the aggregate. The specu lation in Amalgamated Copper, while very active, was accompanied by much ciscing on the local metal exchange at advances in quotations indicated urgent of advances in quotations indicated urgent of saturday matinee, "For a interesting to say and a most clearer way requirements in the trade, but the adverce in Amalgamated Copper, while apparently a logical result of these trade developments is met by persistent representations from sentations from sources which the street regard as authorized to speak for in-siders which seemed to be designed to discourage the advance in the stock. Appear at the Toler for one performance kets today and for a time tended to ill!

These representations are to the effect of their great specially entertainment, all prices. But though builtish sentiment that the supply of metal accumulated secured to have taken hold of speculation by the Amalgamated Copper company before prices tended to have taken hold of speculation by the Amalgamated Copper company into the entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. These representations are to the effect of their great specially entertainment. The charge of their great specially entertainment that the supply of metal accumulated by the Amalgamated Copper company in the entertainment that the supply of metal accumulated by the Amalgamated Copper company in the entertainment that the supply of metal accumulated by the Amalgamated Copper company in the entertainment that the supply of metal accumulated by the entertainment that the supply of metal accumulated by the entertainment that the supply of metal accumulated by the entertainment that the supply of metal accumulated by the entertainment that the supply of metal accumulated by the entertainment that the supply of metal accumulated to the entertainment that the supply of metal accumulated to the entertainment that the supply of metal accumulated to the entertainment that the supply of metal accumulated to the entertainment that the entertainment that the entertainment that the entertainment that the entertainm again higher prices tempted profit tak- were only sold at the low level, but heavy ing toured the principal cities for the past city and a large crowd was present to ing and the close brought a loss of \$40 contracts for future delivery are alfor May wheat and gains of \$40% for leged to have been also made by that May corn and so for May oats. Frovisions closed 50 lower all around.

Beggs' Cherry Cough Syrup

If you have a cough or a cold or any throat or pulmonary troubles, you don't need to be told that you want to be cured. You don't need to be told that it's the most dangerous

thing in the world to trifle with such insidious and dangerous diseases. What you want to be told is how you can be cured quickly and permanently.

This is precisely what this advertisement tells you. Beggs' Cough Syrup is what you want. It will help you at once. You will feel better in a few moments. You will feel well in a few hours.

This isn't guess work nor mere advertising talk. It's the plain facts of the case, shown by twenty years' successful expe-

This remedy has more cures to its credit than any other cough medicine in the world.

It has outlived scores of "cough remedies" that made loud claims but were unable to do what BERROS' CHURRY COUGH STRUP

Take it now if you need it. Keep it in the house at all times. Every druggist sells it.
